

Om Sai Ram

My humble pranam to the lotus feet of our most beloved Bhagavan Sri Sathya Sai Baba

Dearest Elders, Sai Brothers and Sai Sisters

Professor Anil Kumar was called to Swami's lotus feet on the 3rd of April 2024. As Swami has always said, "death is just the dress of life" and part of the divine play.

Professor Anil Kumar, Bhagavan Sri Sathya Sai Baba's translator for 23 years in Swami's divine presence has been one of the dearest devotees of Swami over the last five decades. He was a prolific speaker and an inspirational writer, being very popular among devotees in India and from all over the world. Everyone who met Professor Anil Kumar would be touched by his humility and great sense of humour. He was also very knowledgeable and there was no question for which there was no answer from him.

Professor Anil Kumar's total surrender to Bhagavan's lotus feet was one of the most impressive hallmarks of his personality. Just as Hanuman is remembered for his devotion to Bhagavan Sri Ram, the devotion of Balram and the Gopis for Bhagavan Sri Krishna, Professor Anil Kumar will be remembered for his devotion and unflinching faith in Bhagavan Sri Sathya Sai Baba for all eternity.

Professor Anil Kumar, you will remain in our hearts forever and ever. You will always be remembered by all Sai devotees from all over the world, including Mauritius. We will always remember and cherish those lovely moments when Professor Anil Kumar and Srimati Vijayalakshmi visited Mauritius to propagate Swami's divine message and blessed all of us.

We know that Swami is with his family, including Srimati Vijayalakshmi Kamaraju and his children, at this moment.

As Swami has always said, let us relive those lovely and wonderful moments of Professor Anil Kumar and Swami again and again to help us face our daily challenges and cross this ocean of life.

Jai Sai Ram
